WHAT'S GOING ON?

Tapestry

We are no longer using tapestry to record the children's learning. We are now going to be using scrapbooks instead.

These will include pictures, observations, and information on the early years foundation stage framework which we use to track the children's learning.

Staff will share these with parents regularly.

Welcome back everyone and welcome to our new families and their children. I hope you all had a lovely half-term holiday. We are still operating under our Covid-19 policy and are keeping up with the hand washing, separate bubbles, and cleaning, please do keep socially distanced in the garden.

Friday 13th November is Sarah's last day as Manager of Honey Pots. We wish her the best in her new adventure and thank her for all her hard work over the years. The staff and children are going to miss her lots!

Christmas

Christmas is going to look slightly different for us all this year. Under the Covid-19 guidance we will unfortunately not be having our usual Christmas celebrations. However, we are in the stages of planning how our Christmas is going to look at Honey Pots. There will be letters to follow regarding this.

You will have all had your bill. Please ensure that you pay it promptly to ensure the nursery stays operational. If you have any questions or queries, please do not hesitate to ask.
